

CATTARAUGUS COUNTY IDA

April 17, 2020

A Message from Corey Wiktor, Executive Director of the Cattaraugus County IDA:

As a follow-up to my message to our stakeholders and economic development partners from last week, I want to keep you apprised of the various resources being made available to businesses during these turbulent times.

As you know, the situation is changing daily and is very fluid. On the one hand, talk of re-opening the economy has become prominent in daily governmental briefings while on the other extreme caution about how this process will occur.

In the meantime, with each day that passes non-essential businesses continue to be dramatically impacted by the shutdown of our economy.

For information about applying for an SBA Disaster Loan, to request a loan deferral and to learn more about the CARES Act please click on [Quick Links](#).

For COVID relief for taxpayers claiming net operating losses please visit [Revenue Procedure 2020-24](#). For six month extension of time for filing NOL forms please visit [Notice 2020-26](#); and, COVID relief for partnerships with NOLs please visit [Revenue Procedure 2020-23](#). Additional information and resources can be accessed by visiting [US Chamber of Commerce Resources](#).

Various local governments, local chambers of commerce and economic development entities across Western New York are asking businesses to participate in the WNY COVID-19 Business Impact Survey to gather information on the impacts businesses are experiencing due to the COVID-19 pandemic.

The information gathered from the survey is essential in better understanding where your greatest needs are and how we can best address potential gaps in available resources. The survey will take no longer than 10 minutes to complete. Individual responses will not be made public without permission; however, aggregated responses will be shared. Follow this link to the survey: [Take the Survey](#)

As you know, Cattaraugus County is a very close partner of the CCIDA and we work with the County Legislature and its various departments in keeping our business community up to date on a wide range of issues. Department of Economic Development, Planning & Tourism (EDPT) is contacting Cattaraugus County businesses to find out how COVID-19 is affecting them. To fill out the survey please visit [Catt County Business Survey](#).

Finally, SCORE Buffalo Niagara and the SBA are hosting a webinar with Google, next Tuesday, April 21st from 11am to Noon. If you are interested please register at [SCORE Buffalo Niagara SBA Webinar](#).

As always, please do not hesitate to personally reach out to me at corey@cattcoida.com or at 716-491-3988. You also can visit our website www.cattcoida.com for various information about loan programs and other resources that are available for the business community.

Stay healthy and safe.
