

CATTARAUGUS COUNTY IDA

A Special Message from Corey Wiktor, Executive Director of the Cattaraugus County IDA regarding Phase 2 Re-Opening of Western New York region:

New York State Governor Andrew Cuomo today announced that the Western New York region can immediately proceed to Phase 2 opening of our economy.

Phase 2 industries/business sectors include the following:

- Offices
- Real Estate
- Essential and Phase II In-Store Retail
- Vehicle Sales, Leases, and Rentals
- Retail Rental, Repair, and Cleaning
- Commercial Building Management
- Hair Salons and Barbershops

You can learn more about New York State Phase Two Guidelines [here](#) and the overall reopening plan [here](#).

I also again want to remind you that each business needs to create a safety plan for reopening; printable template for your business can be found [here](#).

Again, you do not need to submit your safety plan to the state, but it needs to be accessible so that employees can see a copy or be provided a copy if requested. Our suggestion is to post your safety plan in a work area similar to workers compensation and other required notices.

Please remember that there are an unlimited number of resources where you can turn to for assistance and/or guidance as we navigate through the turmoil of the pandemic, including our website www.cattcoida.com.

Stay positive, stay healthy and stay safe.

Corey
